

Ahmad Akbari

Professor

College: Faculty of Architecture and Art

Department: Carpet

Welcome to Dr. Ahmad Akbari web site

Education

Degree	Graduated in	Major	University
BSc	1992	B.Sc. in Textile engineering (Textile chemistry and fibre science)	Esfahan University of technology
MSc	1997	M. Sc. in Textile engineering (Textile chemistry and fibre science)	Amirkabir University
Doctoral	2003	Ph.D. in Textile engineering (Textile chemistry and fibre science)	Paul Sabatier University (Toulouse III)

Employment Information

Faculty/Department	Position/Rank	Employment Type	Cooperation Type	Grade
University of Kashan	Professor of Textile Chemistry	Tenured	Full Time	30

Work Experience

Dean of Institute, Institute of Carpet, University of Kashan (2015-Present)

Education Vice Chancellor of Faculty, Faculty of Architecture & Art, University of Kashan (2018-Present)

Dean of Faculty, Faculty of Architecture & Art, University of Kashan (2016-2018)

Dean of Faculty, Faculty of Architecture & Art, University of Kashan (2005-2011)

Awards

The best Researcher of the year award from University of kashan (2003, 2006, 2008, 2010, 2012, 2014, 2017, 2019)

The best Teacher of the year award from University of kashan (2008, 2009, 2010, 2011, 2013, 2017, 2020)

The best Researcher of the year award in Esfahan Province (2011, 2012, 2018)

The selected researcher of the year award from University of Kashan (2016, 2018)

Course Topics

Teaching Experience (2003-up to now) Graduate & Undergraduate

B.Sc

- Dyeing of wool and cotton
- Dyeing of synthetic fibres
- Natural dyeing
- Color technology
- Color chemistry
- Analytical chemistry
- Textile finishing
- Organic chemistry I, II

M.Sc

- Polymer and its application in nanotechnology
- Color and glaze
- Advanced colour chemistry
- Advanced fiber chemistry
- Supramolecular Chemistry
- Surface Chemistry

Journal Membership

Journal of Iranian Handicrafts

Membership in Scientific Societies

Iran Carpet Scientific Association

Textile Science and Technology Association of Iran

Papers in Conferences

1. A. Akbari, Preparation of hollow fibre nanofiltration membranes by photo polymerization and its application to treatment of textile dye effluents, 5th Textile engineering national conference, Teheran, (۲۱-۲۳) Ordibehesht ۱۳۸۳.
2. A. Akbari, S. Desclaux, J.C. Remigy, P. Aptel, Treatment of textile dye effluents using a new photografted nanofiltration membrane, Communication oral, International Congress On Membrane and Membrane Processes (ICOM), Toulouse-France, July 7-12, 2002.
3. A. Akbari, S. Biquet, S. Desclaux, J.C. Remigy, P. Aptel, Preparation and characterization of a new photografted nanofiltration membrane; Application to treatment of textile effluents, International Congress On Membrane and Membrane Processes (ICOM), Toulouse-France, July 7-12, 2002.
4. A. Akbari, S. Biquet, S. Desclaux, J.C. Remigy, P. Aptel, New photografted nanofiltration membranes, International Congress On Membrane and Membrane Processes (ICOM), Toulouse-France, July 7-12, 2002.
5. A. Akbari, M. Homayounfal, M. Arami, M. Amini, Preparation and characterization of polysulfone Nano structure membranes via photografted polymerization, ICNN2008, Tabriz, 28-30 Oct. 2008.
6. M. Amini, M. Arami, M. Homayounfal, A. Akbari, Treatment of acid dyes textile effluents by modified ultrafiltration membrane, CIRAT-3, Sousse, Tunisia, 2008.
7. A. Akbari, A. Yunessnia Lehi, M. Bojaran, V. Jabbari, Consideration of temperature effects on the morphology of PVDF membrane by SEM and AFM, 9th international seminar on polymer science and technology, Teheran, 17-21 October 2009.
8. A. Akbari, A. Yunessnia Lehi, M. Bojaran, V. Jabbari, The influence of inorganic nanoparticle on the PVDF polymeric membrane: effects on the morphology and crystallinity, 9th international seminar on polymer science and technology, Teheran, 17-21 October 2009.
9. A. Akbari, S. Biquet, J.C. Remigy, P. Aptel, Application de la nanofiltration au traitement des effluents de teinturerie, 8^{me} Congr^s Francophone de G^{nie} des Proc^ds, In R^{cents} Progr^s en G^{nie} Chimique; Eau, Air, Sols, Environnement, Nancy - France, 17-19 Octobre, 2001.
10. A. Akbari, M. Homayoonfal, Separation of ions from water by nanofiltration membrane based polysulfone prepared via photografting Acid acrylic, IChEC12, Tabriz, 1387.
11. M. Arami, A. Akbari, M. Amini, M. Homayounfal, N. M. Mahmoodi, Control of polysulfone ultrafiltration membrane characterization by changing molecular weight of additives and UV irradiation parameters, IChEC12, Tabriz, 1387.
12. A. Akbari, M. Homayounfal, Preparation of polysulfone nano-structured membrane for sulphate ions removal from water, First international conference on Advances in wastewater treatment and, University of Tehran, Tehran, Iran, 10-12 November 2009.

Papers in Journals
