Educational biography

• •PhD: Architecture

University name: department of Architecture and Urban, Shahid Beheshti

Tehran university

Title of the thesis: Reflection of the role of geometry in the ancient texts of Islamic Iran (with emphasis on the ratio of geometry and architecture)

Supervisor's name: Dr. Hadi Nadimi

Master: Architecture

University name: department of Architecture and Urban, Shahid Beheshti

Tehran university

Title of the thesis: Comprehensive plan of Kashan rehabilitation center with

emphasis on the ratio of environmental psychology

Supervisor's name: Dr. Hadi Nadimi

Honors

- Best Teacher of Architecture Department, Kashan University (1396-1397)
- Best Teacher of Architecture Department, Kashan University (1386-1387)

Research Areas

- Architecture and mathematics
- Architecture and energy
- Architecture and structure
- Traditional Iranian architecture

Articles

• Journal articles:

- 1. Farshchi, Hamidreza, Torki Baghbaderani, Hamed. 2018. Investigate the process of user participation (people) in the design process of housing with a collective architecture approach. Journal of Research in the Arts and Humanities, Volume 2, No. of pages 33 _44,1397 6 30.

Thesis supervisor

• The residential complex in Kashan (with emphasis on ratio of the Environmental Psychology and Architecture) in Kashan, Iran.

Supervisor: Dr. Hamidreza Farshchi, Advisor by: Dr. Fariborz Sediqi Arfaei (2016)

Student: Vahid Askari Kashan

• Residential Design with Energy Consumption Approach and Using Designed in harmony with the climate in Zanjan City, Iran.

Supervisor No.1: Dr. Hamidreza Farshchi, Supervisor No.2: Dr. Mansoureh Tahbaz (2016) Student: Solmaz Ramezani
