

## CURRICULUM VITAE

### Personal Information:

Name: Majid Nemati

Position: Master of Science in Communication Engineering

Email: [neamaty@kashanu.ac.ir](mailto:neamaty@kashanu.ac.ir)

Postal Address: Faculty of Electrical & Computer Engineering,  
University of Kashan, Postal code: 8731753153, Kashan, Iran

Phone Number: +98-31-55913477

Fax: +98-31-55912424

### Education:

B.S.c. in Communication Engineering from Iran University of Science and technology,  
Tehran, Iran, 1989

• Thesis Title: Design and construction of FM transmitter with PLL

M.S.c. in Communication Engineering from Tarbiat Modarres University,  
Tehran, Iran, 1992

• Thesis Title: Design and Simulation of Profiled Corrugated Conical Horn  
Antenna

### Teaching Experience:

1- Electromagnetics

2- Pulse and Electronic Circuits

3- Digital Systems

4- Electronics II

5- Communication Systems

6- Pulse and Electronic Circuits Lab

7- Electronics Lab

### Research Interests:

Antenna Modeling and Design

Microwave circuits Design

Electronic Circuits Simulation and Design
