

Curriculum Vitae

Personali

Javad Divandari

Ph.D. in Architecture

Email: j.divandari@kashanu.ac.ir

j.divandari@gmail.com

Tel: +983155913162

Address: No.127. Department of Architecture, Faculty of Architecture and Art, Qutb-I-Ravandi Blvd, University of Kashan, I.R. Iran

Education

- 2007-2013, Ph.D. Degree in Architecture, Faculty of Architectural & Urbanism, Shahid Beheshti University, Iran
Project Topic:
" The study of potentials of using vernacular technology in rural housing".
- 1989-1998, Master's Degree in Architecture, Faculty of Architectural & Urbanism, Shahid Beheshti University, Iran
Project Topic:
" Iranian Carpet International Trade Center"

Academic Employment:

1. 2005 - present Assistant Professor of Architecture, Department of Architecture, University of Kashan, Kashan, Iran.
2. 2001-2005 present Dean of the group of Architecture, University of Kashan, Kashan, Iran.
3. 1996-2000 Assistant Professor of architecture, Department of architecture, University of Kashan, Kashan, Iran.
4. Guide Professor Education Undergraduate.

Participation in Courses and Workshops – Scientific:

1. Construction Industry Technology - Prefabrication, Building and Housing Research Center, Tehran, 2014
2. Workshop on Recognition Procedures for Reinforcement of University Buildings, International Institute of Earthquake and Earthquake Engineering, Tehran, 2014

3. Two-day workshop on the challenges of teaching the course of familiarity with rural architecture, 2015
4. Introduction to Marine Pollution Prevention and Control Workshop, University of Kashan, 2017
5. Ancient Traditional Workshop on Practical Geometry, Narrative Lines of Arabic and Persian Historical Texts, University of Kashan, 2017
6. Workshop on understanding the Iranian house, from observation to design, University of Kashan, 2017
7. Knowledge Methods and Research Management Course "Research Methods and Examples from the History of Science", University of Kashan, 2018

Honors and Awards:

1. Selected Researcher of Technological Designs, University of Kashan, 2014
2. Selected researcher of Isfahan province, 2015
3. Educational Distinctive Teacher, University of Kashan, 2016
4. Selected Researcher Teacher, University of Kashan, 2016
5. Selected Researcher Teacher, University of Kashan, 2018
6. Selected Researcher of Technological Designs, University of Kashan, 2019

Courses taught

1. Building Materials (1995-present), for Technician of Traditional Architecture and Bachelor of Architecture
2. Elements and Details of Construction (1996) for Technician of Traditional Architecture
3. Elements and Details of Traditional Buildings (1996) for Technician of Traditional Architecture
4. Meter and Estimation (1997) for Technician of Traditional Architecture and Bachelor of Architecture
5. Building Maintenance (1997) for Technician of Traditional Architecture
6. Building 1 (2001-2005) for Bachelor of Architecture
7. Building 2 (2001-2005) for Bachelor of Architecture
8. Architecture Plan 3 (2002-2009) for Bachelor of Iranian Architecture and Architecture
9. Village 1 (2004-present) for Bachelor of Architecture and Iranian Architecture
10. Village 2 (2004-2006) for Bachelor of Architecture and Iranian Architecture
11. Acquaintance with the Basics of Physical Planning (2011 so far) for Bachelor of Architecture
12. Physical Planning of Architecture (2011 to 2018) for Master of Architecture
13. Design and Architecture One (2011 to 2019), for Master of Architecture
14. Science and Technology of Construction Materials (1392 to 1393) for Master of Architectural Technology
15. Architectural Technology Project 3 (2014-2015) for Master of Architectural Technology
16. Architectural Planning (2019) for Master of Architecture
17. Design and Architecture 3 (2020) for Master of Architecture
18. Passive & Active Solar Systems (2020) for Master of Architecture and Energy

Membership in the scientific and technical association

1. Member of the specialized committee for Building Architecture and urban spaces, Tehran Urban Planning & Research Center, 2008- 2009
2. Member of the Specialized Committee of Art and Architecture, Fund for Support of Researchers and Technologists, Vice President for Science and Technology, 2011-2013
3. Member of Architecture Research Center, University of Kashan, 2008 until now

4. Member of the Research Council of the Energy Research Institute since 2015 until now

Innovative and Valuable Works of Art

Design of the Martyrs' Memorial Collection, which was recognized as an original and Valuable Work of Art.

Implementation of Research Projects

1. Recognition of Materials and Systems of Rural Buildings, Research Project, Deputy Minister of Civil Engineering, Ministry of Jihad Sazandegi, 1996-1997
2. Applied study of local Materials in Paving and Design of Rural Body Architectural models, Research Project, Deputy Minister of Civil Engineering, Ministry of Jihad Sazandegi, 2004-2001
3. Preparation of a guide for the use of local materials in rural development projects, Islamic Revolution Housing Foundation, 2009
4. Typology of rural housing in Tehran province, Tehran Province Housing Foundation, 2004-2007
5. Codification of Construction criteria in villages, Tehran Province Mother Consultant, Housing Foundation of the Islamic Revolution of Tehran Province, 2007
6. Research plan of Saipa Kashan entrance, Vice Chancellor for Research, University of Kashan, 2013
7. Research project of Saipa Kashan central office building, Vice Chancellor for Research, University of Kashan, 2013
8. Research project of Zurkhaneh architecture Design Principles based on behavioral patterns, 2015
9. Research project of Traditional medicine based on Temperament, University of Kashan, 2016
10. Research project of feasibility studies and architectural planning of Kashan University Welfare Services Complex, 2016
11. Research Project of Effective Components in Architectural Design, A Case Study of Needs and Needs of People with Autism, University of Kashan, 2017
12. Research project Design suggestions for the blind and visually impaired (guidance for public and special educational spaces for the blind), University of Kashan, 2016

Responsibilities implemented

1. Member of the specialized work committee of the Department of Architecture, Kashan University, 2009 to 2014
2. Member of the Specialized Working Committee of the Department of Art Restoration and Research, Kashan University, 2009 to 2015
3. Director of Architecture Department, 2001 to 2005
4. Supervisor of students in different years in associate degree courses in traditional architecture and bachelor of architecture
5. Supervisor of students in the Master of Architecture course in 2011
6. Supervisor of campus students, University of Kashan, 2012
7. Cultural advisor Professor, Architecture faculty, 2012 until now
8. Member of the Supervisory Council of Kashan Region Universities, 2012 for 2 years
9. Adviser to the President of the University, University of Kashan, since 2007
10. Director of Architecture Department from 2013 to 2016
11. Member of Kashan University Technical and Civil Council 2014 so far
12. Member of the specialized committee of the Department of Architecture and Technology, University of Kashan, 2017 to 2019

13. Member of the specialized committee of the working group for studying the scientific ability of higher art studies, University of Kashan, 2015 to 2018
14. Member of the Energy Research Institute Council of Kashan University since 2015 until now
15. Consultant Professor of the Witness and Veteran Staff of Kashan University, from 2015 until now
16. Vice Chancellor for Research, Faculty of Architecture and Art, University of Kashan, from 2016 to 2018
