

M. Almasi Kashi

Academic Position Assistant Professor

Qualifications B.A. in Physics, University of Kashan, Iran, 1988

M.Sc. in Atomic Physics, University of Tarbiat Moallem, Tehran, Iran, 1993

Ph.D. in Solid State Physics, University of Salford, UK, 2001

Research Areas

The Magnetic Thin Film and magnetic nanowires.

Courses

1-Electromagnetic

2- Advanced Magnetism

3-Thin film

4-English for students of Physics

5-Analysis methods in Nanotechnology

6- Fabrication methods in Nanotechnology

7- Nanotechnology
