CV

University of Kashan

Somayeh Harooni Arani

Assistant Professor

Department of nuclear physics, Faculty of physics, University of Kashan, Kashan, Iran

P.O.Box: 87317-53153

Tel: +98-3155913062

Email: harooni@kashanu.ac.ir

Web: <https://faculty.kashanu.ac.ir/harooni>

Degree	Academic orientation	University	Thesis title	Beginning	End
B.Sc	Physics	Kashan	---	2000/9/22	2004/9/5
M.Sc	Nuclear physics	Kashan	Two new thermoluminescence mixed order models with single activation energy and a uniform distribution of trapping centers Supervisor: Dr. Mostafa Zahedifar	2005/9/23	2008/1/30
Ph.D	Nuclear physics	Kashan	Improvements of the models describing thermoluminescence phenomena and comparison with the experimental result Supervisor: Dr. Mostafa Zahedifar	2009/9/23	2013/12/18

Row	Articles in the publications
1	Zahedifar, M., Rezaeian, P. and Harooni, S., Thermoluminescence kinetic analysis of basaltic rocks using a generalized model for exponential distribution of activation energies, <i>Nucl. Inst. And Meth. B</i> , 264, (2007), 378-382. (ISI)
2	Zahedifar, M., and Harooni, S., A new thermoluminescence mixed order model for continuous and uniform distribution of trapping centers, <i>Iran. J. Phys. Res.</i> , 11 (1), (2011), 39-46.
