

**fatemeh Karimi**

Assistant Professor

College: Faculty of Mathematics

Department: Computer Sciences

---

### Papers in Conferences

- 
1. F Karimi ,& S Lotfi ,Solving multi-objective problems using SPEA2 and Tabu search ,Iranian Conference on Intelligent Systems (ICIS) ,2014 02 04.

### Papers in Journals

- 
1. F Karimi , S Lotfi , H Izadkhah,Community-guided link prediction in multiplex networks,Journal of Informetrics,2021 11 01.
  2. F Karimi , S Lotfi , H Izadkhah,Multiplex community detection in complex networks using an evolutionary approach,Expert Systems with Applications,2020 05 15.
  3. S Lotfi ,& F Karimi,A Hybrid MOEA/D-TS for solving multi-objective problems,Journal of AI and Data Mining,pp. 183-195,2017 07 01.
